**Rimkus Consulting Group Appoints Robert Kocher  
to Board of Directors**

**HOUSTON, TX (May 8, 2008)** – Rimkus Consulting Group, a global leader in forensic consulting services, continues its commitment to quality and its focus on providing clients with the most accomplished forensic engineers and trained experts in the industry by announcing the recent addition of Robert Kocher, Vice President - Eastern Region to the Board of Directors.

“Bob has greatly contributed to the success Rimkus Consulting Group is achieving in our Eastern Region,” said Frank Culberson, president and CEO, Rimkus Consulting Group. “He opened the first Florida office for Rimkus ten years ago and since then has directed the opening and operations of ten more offices in seven eastern states. We’re pleased to welcome Bob as the newest member of our Board of Directors.”

Kocher holds a Bachelor of Science degree in Mechanical Engineering from Auburn University, a Master of Business degree from Georgia State University and has more than 25 years of engineering and business management experience.

“I’m extremely honored that the Board extended this appointment,” remarked Kocher. “I look forward to contributing to the direction of Rimkus Consulting Group as we continue to grow. It is an absolute pleasure to be affiliated with a firm that places such keen emphasis on quality in serving its clients while maintaining the highest levels of ethics and professional conduct.”

Mr. Kocher is a Registered Professional Engineer in Florida and North Carolina and will continue to oversee Rimkus Consulting Group operations in the Eastern Region.
