Background

As a retired Oklahoma Highway patrolman with 22 years of service, Mr. Haney has extensive law enforcement experience particularly in the investigation and reconstruction of collisions.

He has been an accredited Traffic Accident Reconstructionist with the Accreditation Commission for Traffic Accident Reconstructionists (ACTAR) since 1993. He's also U.S. DOT Commercial Vehicle Safety Alliance (CVSA) certified in roadside inspection, hazardous material and tanker inspection. Mr. Haney's experience and industry knowledge covers over 35 years in areas of investigating passenger vehicle, pedestrian, motorcycle, commercial vehicle and electronic download accident reconstruction.
